

ORDINANCE NO. 2019-057

AUTHORIZING THE VILLAGE MANAGER TO ENTER INTO A CONTRACT WITH DUG RITE EXCAVATING IN AN AMOUNT NOT TO EXCEED \$29,000 FOR THE FRANKLIN AND OLD STAGE WATER MAIN REALIGNMENT AND DECLARING AN EMERGENCY

WHEREAS, the Village of Waynesville has requested proposals for work related to Franklin and Old Stage Water Main Realignment project; and

WHEREAS, Dug Rite Excavating submitted the lowest and best proposal for said work with a bid of \$28,489.26.

7 NOW, THEREFORE, BE IT ORDAINED by the Village Council of the Village of Waynesville, members elected thereto concurring:

Section 1. The Village of Waynesville accepts the specifications and agrees that Dug Rite Excavating is the lowest and bid bidder.

Section 2. That the Village Manager is hereby authorized to enter into a contract with Dug Rite Excavating for work related to the Franklin and Old State Water Main Realignment project.

Section 3. That the Finance Director is hereby authorized to pay a sum not to exceed \$28,489.26 for said work in accordance with the proposal attached hereto and incorporated herein by reference.

Section 4. That this Ordinance is hereby declared to be in emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall be effective immediately upon its adoption. The reason for said declaration of emergency is the need to authorize the contract at the earliest possible date in order to complete the work before the winter season.

Adopted this 21st day of October, 2019.

Village of Waynesville Water Department
Water Main Realignment Project
Intersection of Old Stage Road and Franklin Road

Bid Begin Date: August 6, 2019

Bid Due Date and time: October 9, 2019

Bid Procedure: Email to nmckeever@waynesville-ohio.org

Bid Remark: The Village of Waynesville reserves the right, as provided by the Village Charter, to refuse and reject any and/or all bids based up on the experience, expertise, and price of all the bids.

Project scope, work, and outline:

1. Project to be completed by November 27th, 2019 including black top paving.
2. Contractor is solely responsible for all utilities in the project as deemed by the OUPS.
3. Contractor to excavate and expose all water mains in the work area to ensure the sizes and types to be connected to.
4. Contractor to purchase and provide all materials.
5. AWWA guidelines to be followed.
6. The village will shut down the water mains the best they can for the contractor to facilitate the tie ins.
7. Contractor to provide road plates as needed to open all the streets up when not working.
8. Old Stage Road will remain open at all times for traffic to go down the hill on Franklin Road during work hours.
9. Fourth Street will remain open for traffic to proceed down the hill only during work hours.
10. Franklin Road will be permitted to be closed during work hours between Fourth and Fifth Streets.
11. All materials to be ductile iron class 52 with mega lugs, proper gaskets, and blocking as needed.
12. Temporary ¾" copper service tap to be provided for both flushing, pressure testing , and sampling and then removed at the corp stop when completed and a cap secured on the corp stop.

13. Acceptable pressure test of 175 psi to be performed for 2 hours.
14. Back fill material to include sand grits around and up to above 10" of the pipe and fittings.
15. Flowable fill to be used the rest of the way up to within 3" of top edge of pavement.
16. Securely plate remaining trench until paved.
