Minutes approved-all in favor

Chief Copeland-Bicentennial Park bring a contribution towards perhaps the bathrooms, etc. Look into more in the spring. High Street has sold. Michener property has been purchased by a farmer and will be farmed.

Pool-a location has not been found that is feasible. That seems to be a huge expense and with the cost, we probably don't have the money to build and maintain. It is not a money maker.

Kelly Maloney-Library Park Project. At the beginning stages of building the park. Have started looking for an architect to design, get permits, and build. Also, the attorneys are looking into combining the properties into one for tax purposes. The house has water lines so that bathrooms can be built. Focus groups from the community will be used to help provide ideas on what the community would like to share. Not planning on a splash pad. Playground equipment and area for children is being considered. Possibility of handicapped accessible area. Chief Copeland will contact.

Budget on whether to upgrade elsewhere or with the library.

Joanne Powell-Administrative offices of the YMCA. Trish Kitchell-COO for our area to do a YMCA in our area. The YMCA would be willing to meet with the committee to discuss if there is any way they could assist to help with a YMCA. Chief Copeland will talk with the YMCA and check on more information.

Next meeting will be on December 18, 2023.

Motion to adjourn: Sarah Toth, 2nd Chris Colvin
