

Village of Waynesville
Public Works Meeting
December 2nd, 2024, 6:00 pm

- Committee members present
 - Mr. Anthony
 - Mr. Gallagher
- Staff and guests present
 - Chief Copeland
 - Jamie Morely
 - Mayor Issacs
 - Chris Colvin
 - Connie Miller

The meeting was called to order at 6:11 pm.

Mr. Gallagher motioned to excuse Mr. Blankenship; Mr. Anthony seconded. The motion carried.

Mr. Gallagher motioned to approve of the previous meeting minutes; Mr. Anthony seconded. The motion carried.

Chief Copeland met with Sam Beam, CFM Environmental Specialist of the ODNR, to update our Village Flood Damage Reduction Regulations so that they comply with the National Flood Insurance Program and the Ohio Department of Natural Resources Model Flood Damage Reduction Regulations.

A right-of-way compliance statement has been prepared for the St. Rt. 42 and North Street traffic signal project (C/R/S/: WAR-42-20.23, PID: 118273, FPN: E230500). This is to inform all utility stakeholders within the villages right-of-way that this project has been approved and is scheduled to begin in the spring of 2025.

The Third Street project has been inspected and completed. Final paperwork was submitted on Friday, November 27th, to receive the Water and Wastewater Infrastructure Grant totaling \$499,750.00 (grant #DEV-2021-182143).

A meeting was held by Chief Copeland for the Main Street stakeholders regarding DORA. All requirements, signage and cup designs were discussed. All stakeholders are to reimburse the Village for the cost of the signs, and Public Works crews will install the signs to ensure they are properly placed.

Meeting adjourned at 6:46 pm.
